Serving others, gladly.

Fire policy.

The Assembly Point is at the end of the lane by the car-park attendants hut.

If you see a fire shout 'Fire, Fire', and ensure that others are aware and can repeat the call.

The building should be evacuated. Team Leader to urge people out, calmly.

Front of House should take the signing in list to the assembly point, and use the list to identify the fact that all have evacuated the hall. Be prepared to report the fact to the Fire Brigade, if need be.

Cooks should extinguish any gas flames, turn off the cooker extractor hood (white electrical switch), turn off electrical appliances, and exit.

If you are able safely to extinguish a small fire, use an extinguisher to do so. Otherwise leave it.

If in any doubt whatsoever, Team Leader to ring the Fire Brigade.

Address: St Chad's Parish Hall, 1 St Chad's Terrace, Shrewsbury. SY1 1JL

No-one should re-enter the building until it has been declared safe to do so by the Fire Brigade, or if they have not been summoned, by the Team Leader.
