

## **WINTER HELP FOR UKRAINE**

Lillia, my former Homes for Ukraine guest, has asked if we can provide the Ukrainian Charity for which she works with thermal underwear and water purification tablets to help Ukrainians to survive the harsh winter.

The St Chad's Church Wardens have kindly offered to collect donations as part of its Harvest Festival on Sunday, 2 October 22.

A wonderful UK Charity, Eden Aid, sends five minibuses a week to the Polish border to drop off aid and collect documented Ukrainian refugees. If we deliver donations to Oxford, they will deliver them to a holding charity on the Polish border that arranges onward transfers into Ukraine.

**You can drop off donations of thermals (for men, women & children) and water purification tablets at St Chad's over the next two weeks. Any monetary donations will be used to buy these items. Donations can be sent to the St Chad's PCC bank account (Sort code: 30-97-62, Account: 00399018, Ref: UKR Winter)**

**Thank you. Susan Kynaston**
